## A MUTUALLY BENEFICIAL PARTNERSHIP WITH KWAZULU-NATAL'S LARGEST AND OLDEST ALL BOYS' SCHOOL THAT WILL HELP US TOGETHER TO CHANGE LIVES AND SHAPE FUTURES

Maritzburg College has, for nearly 160 years, proudly produced young men who have taken their place in the front rank of South African society. A modern school in every sense, College retains a strong sense of its history and heritage, and our boys leave the school as young men imbued with a strong sense of independence and individualism – but also of team-spirit and belonging.

The school unashamedly embraces and promotes its core values of Commitment, Courage, Honesty, Respect, Integrity and Self-discipline, with each boy committed to remain true to all that is College, its values, brotherhood and traditions.

College has evolved considerably over the last few decades, and today offers a multitude of opportunities for all boys to find their niche and be happy. With a strong academic focus (100% matric pass in 2020) and world class sports facilities across a wide variety of sporting codes, we are committed to providing each boy with a well-rounded relevant and excellent education experience. We are a modern, relevant multi-racial school that embraces all that is best in South Africa's ever-changing environment. At Maritzburg College, we are immensely proud of our shared identity that binds the present to the past beneath a vivid tapestry quilted in Red, Black and White.

**Maintaining this status requires financial support from our #redblackwhite 'College Community'.**

Our Maritzburg College Foundation is a registered Non-Profit Organisation (NPO) mandated to provide College with strategic and financial support. Your support can not only assist the school but also add to your B-BBEE scorecard.

The Foundation can also issue Section 18A certificates for tax saving purposes on any donations.

The two main areas of B-BBEE focus for College are Skills Development and Socio Economic Development:

1. **Skills Development:** This element allows for payment of bursaries to Black South African Students, who must be either grade 10 or above. In supporting Maritzburg College, you can earn B-BBEE points on your scorecard under this element.
2. **Socio Economic Development:** There are no age restrictions in supporting scholars in this category.

# SKILLS DEVELOPMENT

## SOCIO ECONOMIC DEVELOPMENT (SED):

SED contributions are monetary or non-monetary contributions implemented for individuals (natural individual or group of natural individuals) or communities, where at least 75% of the beneficiaries are classified as black people, in terms of race and are of any age group.
